MONTHLY BULLETIN OF UNEMPLOYMENT AND SICKNESS BENEFITS STATISTICS.

NO. 21 : DECEMBER, 1947

1. GENERAL

This bulletin, issued by the Acting Commonwealth Statistician, (Mr. S. R. Carver) covers the operations of Part VII of the Social Services Consolidation Act, 1947, for the month of December, 1947 and the six months ended December, 1947.

The Act provides for the payment of benefit to persons whose normal earnings have been interrupted through unemployment or temporary incapacity. It also provides a third class of benefit - designated Special Benefit - which gives a measure of assistance to those persons who, on account of some special circumstances, cannot comply with the statutory requirements relating to unemployment or sickness benefit, and who are prevented from earning a livelihood and are in need.

The number of recipients of benefit do not embrace the total unemployment and sickness in the community. Unemployment or sickness of less than seven days' duration is not covered due to the provision in the Act of "waiting period" of this length of time during which no benefit is payable. Permanent incapacity is not included as this is covered by the Age and Invalid section of the Social Services Consolidation Act 1947. The application of a "means test" excludes another group from benefit. The inclusion of claims rejected - see Section 8 - completes the coverage of all persons applying for benefit, irrespective of whether their claims are approved or rejected.

The number of "persons on benefit" in this bulletin relates to principal beneficiaries who would normally be breadwinners. Dependants of such beneficiaries are not included.

The information contained in this bulletin has been compiled from data made available by the Department of Social Services. The details given in Sections 4, 6 and 7 refer to admittances and exits notified during the period shown and not to admittances and exits which actually occurred during the period.

Due to delay in the receipt of information in respect of some beneficiaries the figures are preliminary and subject to revision. This applies particularly to discontinuances and results in persons on benefit at the end of the month being overstated.

6. UNEMPLOYMENT - CLAIMS ADMITTED DURING DECEMBER, 1947 AND THE SIX MONTHS
ENDED DECEMBER, 1947 AND PERSONS ON BENEFIT AT END OF DECEMBER, 1947

(i) Cause of Unemployment: The following table analyses the reasons for termination of employment as stated by persons whose admission to benefit was notified during December, 1947 and the six months ended December, 1947 and by those who were on benefit at 27th December, 1947.

Discharges and lay-offs are separations on the initiative of the employer, the broad distinction being that a discharge is final and there is no likelihood of the persons being re-engaged, at least in the near future. A lay-off is a separation of a temporary nature with the idea that the job will be available again for the employee as soon as circumstances permit. Quits are separations which take place on the initiative of the employee.
